## St Croix Sunset Sails:

Rated the #1 Sunset Sail on St Croix! Magical. Unforgettable. The best way to enjoy a sunset on St. Croix. This is how guests describe our signature sunset sail! For your sail, you will depart from the Frederiksted pier on our beloved 63ft custom catamaran, Jolly Mon. Watch Frederiksted and her surrounding beaches from a distance as we sail along the beautiful West End of St. Croix. Depending on the winds, we sometimes round Sandy Point to look for sea turtle tracks. While you sail, you can enjoy live music from local and visiting bands, experience exceptional service from our professional crew, and delight on unlimited rum punch!

Starting at \$65 per person  
(call and ask about our local rates if you live here!)

## Where and When to Meet:

We sail from the Frederiksted pier (cruise ship dock) daily! Look for the big red catamaran! Time of departure can vary based on the sunset time/time of year and other factors, so always check your reminder email the day before the sail. I arrive before check-in time, we recommend waiting at Tap Deck or Six Nine, in the courtyard across from the Pier. Both open before your sail for drinks and food!

# Cancellation Policies:

**WEATHER:** Unfortunately the weather can be unpredictable in the Caribbean. Although it is sunny most days, we do get rain! If there is island-wide rain with no signs of clearing up, we typically cancel the sail as there is not enough shelter on the boat for all our guests and musicians. Small rain clouds are usually not an issue since we can see them coming and can often avoid them by sailing in a different direction! We also have ponchos for all guests in case of unexpected rain. WE cancel due to weather cancellations, you will receive a full refund or credit that can go towards another sail. We will let you know as soon as possible if there is a weather cancellation.

**OTHER:** We have a 48 hour cancellation policy. If you decide you cannot sail with us and cancel 48 hours before your sail you will receive a full refund. A 50% refund can be issued 24 hours prior to sail. Under select circumstances, credit for a future sail will be offered for cancellations within the 24 hour window. This does not apply to special event sails, New Year's Eve or July 4th. No-shows will NOT receive any refund or any credit. Any customer that decides not to sail with us on the day of the sail without prior notice will not receive a refund or credit.

No refunds or credit will be given AFTER customers have completed their sail.

Credits for future sails are only valid ONE YEAR from original sail date, NO EXCEPTIONS.

## MINIMUM NUMBER OF PASSENGERS:

As a multi-passenger US Coastguard inspected vessel, we do require a minimum number of people to confirm each sail. We rarely have this issue, but it can happen.
